

EFG012551

EFG Create

EFG Create is a multifunctional and modular storage system designed to enhance its surroundings and inspire creative expression. With unlimited configuration possibilities the EFG Create could act as a divider or built to suit your needs. With the freedom to fuse materials and colours the choices are infinite.

Product info

- System of modules in metal and MDF. All modules have the height and depth of 380mm.
- Mounted vertically, with or without leg base, or wall mounted.
- Metal modules in two widths. Lacquered in black structure (24), white (Z4), grey (54) or cement grey (70).
- MDF modules in three widths. Lacquered in black (T4) or white (Z4).
- Doors in natural ash (A1), white (Z4) or in black (T4) with push function for the MDF modules.
- Drawers with fronts in natural ash (A1), white (Z4) or in black (T4) with push function for the MDF modules.
- Metal walls lacquered in black structure (24), white (Z4), grey (54) or in cement grey (70). Wall with width 380 mm is also available in brass (92).
- Fabric covered backs to the MDF modules and fabric covered walls to metal modules are available in a variety of qualities and colours as standard.
- Wooden tray in natural ash (A1). Available in two sizes.
- Wooden box in natural ash (A1). Available in three sizes.
- Top board in natural ash (A1), black lacquer (T4) or white lacquer (Z4). Available in two sizes.
- Metal base in black (24), white (Z4), grey (54) or cement grey (70). Available in two sizes.
- Complies with established criteria for furniture eco-labelling. Minor deviations may occur.
- Tested according to requirements in EN 16121:2013 and EN 16122:2012, Level 1.
